Mr. Russell Schafer
Pinconning, Michigan

Dear Mr. Schafer:

Naturally, the teachers of Bay City are vitally interested in the outcome of the approaching elections for trusteeship of the Tri-County College. It is necessary for people to be informed as to the candidates' views before they can cast an intelligent ballot.

For these reasons, the Bay City Teachers' Club has asked its public relations committee to sample the positions of the candidates on certain items. We are enclosing a questionnaire to which we would invite your prompt attention. When returned, the answers will be distributed to the members of the Bay City Teachers' Club, so that they can know more about the views of the candidates.

As these answers must be distributed to the teachers by March 26, the last school day before the election, we would naturally appreciate quick return of the questionnaire.

Thank you,

H. Stephen Carlson
